STAFF REPORT

COUNCIL

June 14, 2021

SUBJECT: Paisley Tennis Court Project

---

## **RECOMMENDATION:**

Be It Resolved that Council hereby:

- 1) Receive the Report SRREC 21.13 regarding the Paisley Tennis Court Project; and
- 2) That Council hereby approve the MEI Paving Contractors to complete this project at a cost of \$ 25,317.00 excluding applicable taxes.

## **BACKGROUND:**

At the May 25, 2021 Council Meeting, staff presented report SRREC 21.11, which Council requested additional information regarding the proposal and to investigate the need for removing the existing asphalt surface and preparing the area for new asphalt.

## **COMMENTS:**

Recreation and Works staff met at the tennis court to inspect the surface and determine options. The asphalt surface has some cracking and will require additional work around the post areas. Staff also spoke with MEI Paving Contractors about the quote received. It was determined that the current surface is a good candidate for the plexi-pave surface option because of its current condition. The contractor indicated that the cracks in the existing asphalt would be filled prior to surface application.

To complete this project, a section of fence on the east side of area will be removed for contractor access. Staff are considering adding a gate to replace this section of fence for future access to the court. A price has not been obtained for this addition, however staff are reaching out to contractors and will provide options in a future report.

## **FINANCIAL/STAFFING/OTHER IMPLICATIONS:**

The plexi-pave surface option is quoted at \$ 25,317.00, excluding taxes. There is \$ 15,000.00 within the 2021 Capital Budget, leaving a shortfall of \$ 10,317.00 plus the unrecoverable tax amount. Staff are suggesting that the additional funding can come from 01-0000-2107, Reserves-General Government-OPG Annual Payment. Treasury staff has determined that there is \$ 153,901.00 in this account.

## **CONCLUSION:**

That Council approve the recommendation as presented in report SRREC 21.13 dated June 14, 2021.
