Municipality of Arran-Elderslie

Mayor Mr. Steve Hammell:

The Royal Canadian Legion Br. 295 Paisley is requesting that the Municipality install a temporary Stop Sign on Queen St. at the corner of Goldie St. We have concerns with this intersection with regards to the increase in traffic and the speed of the traffic turning the corner now that the old Queen St. Bridge has been removed and the detour is routed in front of the Branch building. Some of our members and citizens, who use our facility, have mobility issues and are scared to cross the intersection. We have been told that there have been numerous close calls while crossing Goldie St. due to the increase in said traffic and the poor visibility with parked vehicles along Queen St. By installing a temporary stop sign, we hope this will slow the traffic turning the corner and make it easier for the pedestrians to see and be seen.

Thank you for your consideration in this matter.
