9. Public Meeting(s)

9.1 Zoning By-Law Amendment File No. Z-2023-049 - Bailey (761 Concession 10 E)

Mayor Steve Hammell called the public meeting to order at 9:20 a.m. He stated that the purpose of the public meeting was to consider a proposed Zoning By-law Amendment Z-2023-049 for Bruce and Shannon Bailey at 761 Concession 10 E, Arran.

Marilyn Cameron, Planner for the County of Bruce, attended the meeting electronically and presented her report.

She noted that the application proposes to sever a parcel of 3.4 ha which includes an existing dwelling and hobby farm. The retained lot area of 37 ha is proposed to be acquired by a local farmer and continue the existing farm use. The dwelling would be surplus to the agricultural needs. The related Consent Application is File No. B-2023-049. The property is located at 761 Concession 10 E (Arran).

Comments were received from the following agencies:

- Grey Sauble Conservation Authority: GSCA has no objections to the subject applications as they do not impact any areas regulated under Ontario Regulation 151/06 or natural hazards.
- Historic Saugeen Métis (HSM): Email dated July 28, 2023 stated no objections.
- Municipality of Arran-Elderslie: The Municipality verified conditions on July 27, 2023.
- Municipality of Arran-Elderslie Building Department: Email dated July 19, 2023 stated no comments.
- Municipality of Arran-Elderslie Public Works Department: Email dated July 19, 2023 comments stated that there was no water or sewer in the area of the subject property. No concerns were stated.

The Mayor asked Members of Council if they had any questions.

Councillor Steinacker sought clarification on the MDS exemption. Ms. Cameron noted that the initial application requested relief from the MDS setbacks however, during the planning analysis it was noted that the proposed application is exempt from MDS requirements.

Councillor Penner questioned how future severances would be prevented. Ms. Cameron noted that the Bruce County Official Plan Policies restricts future development on agricultural lands. Those policies do not apply

since these lands are designated rural. The lands would have the potential to sever a 20 ha portion in the future.

Deputy Mayor Shaw asked for clarification on the purpose of the application. Ms. Cameron noted that the County Official Plan requires a minimum lot size of 20 ha however, the Comprehensive Zoning Bylaw requires a minimum lot size of 39 ha and the application proposes 37 ha. Council would be approving an exemption to the Zoning Bylaw.

Councillor Dudgeon asked if the surplus farm dwelling policy would apply. Ms. Cameron confirmed that since these lands are designated rural and not agricultural, the policy does not apply.

The Mayor asked if the applicant or agent were present and wished to make a submission.

Bev Nicolson spoke on behalf of the applicant regarding the application.

The Mayor asked if any members of the public wished to make a submission either in favour or opposed to the proposed application.

No submission were made.

The Mayor asked the Deputy Clerk if any written submissions had been received.

The Deputy Clerk confirmed that none had been received.

Members of Council and the public were provided a final opportunity for questions prior to the closing of the public meeting.

Councillor Penner looked for further clarification on the potential of future severances and the designations of rural and agricultural. Ms. Cameron and Ms. Nicolson addressed the concerns noting that the possibility is there for a future severance or dwelling to be built however, that is not the intent of this application.

Ms. Cameron also clarified that agricultural lands are considered prime agricultural lands with strong restrictions placed by the government while rural lands are considered viable farm lands without the same restrictions.

The Mayor declared the public meeting closed at 9:40 a.m.

Council passed the following motion:

218-16-2023

Moved by: Councillor Hampton

Seconded by: Councillor Dudgeon

Mayor Steve Hammell called the public meeting to order at 9:42 a.m. He stated that the purpose of the public meeting was to consider a proposed Zoning By-law Amendment Z-2023-048 for Todd Sweiger Farms Ltd.

Rebecca Elphick, Planner for the County of Bruce, attended the meeting electronically and presented her report.

She noted that the application proposes to sever a 1.47 ha parcel with a frontage of 147 m on Concession 10 Elderslie. The severed parcel will contain a residence surplus to a farming operation. The retained parcel will have an area of 39 ha with a frontage of 247.7 m, and will continue to be used for a cash crop operation. A Zoning By-Law Amendment is required to rezone the retained parcel to prohibit any residential development. The property is located at 412 Concession 10, Elderslie. The related Consent Application is B-2023-048.

Comments were received from the following agencies:

- Grey Sauble Conservation Authority (GSCA): In correspondence dated July 21, 2023, GSCA staff noted that a portion of the subject property is regulated under Ontario Regulation 151/06: Regulation of Development, Interference with Wetlands and Alterations to Shorelines and Watercourses. The regulated area is associated with an unnamed watercourse in the northeastern portion of the property. GSCA staff note that no permit is required prior from the GSCA office pursuant to O.Reg 151/06 as no development is proposed in association with this application. GSCA staff further note the presence of natural hazards on portions of the subject property and confirm that both the retained and severed parcel feature sufficient space to accommodate future development outside of the natural hazard areas should it be proposed. Overall, GSCA staff have no objections to this application.
- Public Works (Municipality of Arran Elderslie): In correspondence dated July 19, 2023, Public Works staff noted no comments related to the subject application.

The Deputy Clerk confirmed that none had been received.

Members of Council and the public were provided a final opportunity for questions prior to the closing of the public meeting.

A point of clarity was raised as to whether comments should have been received from Grey Sauble Conservation Authority or Saugeen Valley Conservation Authority. Ms. Elphick confirmed that Grey Sauble Conservation Authority was correct.

Council passed the following motion:

219-16-2023

Seconded by: Councillor Steinacker

9.3 Zoning By-law Amendment File No. Z-2022-128 - Shaw (45 1st Ave North, Chesley)

Mayor Steve Hammell called the public meeting to order at 9:52 a.m. He stated that the purpose of the public meeting was to consider a proposed Zoning By-law Amendment Z-2022-128 for Shannon Shaw.

Jenn Burnett, Senior Planner for the County of Bruce, attended the meeting and presented her report.

She noted that the application has been submitted to facilitate severance application B-2022-071 which proposes to create a building lot with an area of 476 m² and 28 m of frontage on 2nd Ave N, Chesley. The proposed lot meets the lot frontage and lot area requirements of the Zoning By-law but requires relief to the front and rear yard setbacks to create a viable building envelope. The retained lot is occupied by a four-unit dwelling and is proposed to be 1135.5 m² in size; it will require a reduced rear yard setback. The property is located at 45 1st Ave North, Chesley.

This area is fully serviced with municipal water and sewers. The severed parcel is not proposed for development at this time but will be required to connect to full municipal services at the building stage. The existing structure on the proposed retained lot, is fully serviced. Storm water management will be addressed with an engineering site and drainage plan at the time of building application.

Comments were received from the following agencies:

- Bruce Grey Catholic School Board: Comments dated July 4, 2023 noted no comment.
- Saugeen Valley Conservation Authority (SVCA): In comments dated July 4, 2023, the SVCA confirmed that there are no hazards areas or regulated areas on the property. They have no objection to the proposal.
- Historic Saugeen Metis (HSM): In email dated July 18, 2023 the HSM commented, “[t]he Historic Saugeen Métis (HSM) Lands, Resources and Consultation Department has reviewed the relevant documents and have no objection or opposition to the proposed Zoning By-law Amendment as presented.”

- Bruce County Transportation Services: no comment (undated).
- Arran-Elderslie Staff: In comments dated January 4 and July 19, 2023, staff noted that service connections are available at the expense of the applicant.
- Residents: Raynald Nickason: in comments dated February 21, 2023, Raynald Nickason noted, “concerns about the dimension of the proposed structure as outlined within the application. With a set back off of 2nd Ave North East of 6.4 meters and measurement of 7.5 meters from the rear of the proposed severed lot, this only allows for a 3.1-meter width of a building. (10’ 2”) I do not feel as though this is adequate for a residential structure.

The Mayor asked Members of Council if they had any questions.

Councillor Penner asked for clarification on the parking location. Ms. Burnett advised that during the site visit it was confirmed that there was sufficient room for angle parking.

The Mayor asked if the applicant or agent were present and wished to make a submission.

The applicant, Ms. Shannon Shaw, noted a correction that the current structure is a tri-plex and not a four-plex.

The Mayor asked if any members of the public wished to make a submission either in favour or opposed to the proposed application.

Ms. Reta Stewart is not opposed to the application however she raised concerns regarding the size of the lot and the available space for parking. The applicant advised that there is sufficient room for at least 8 vehicles and the front lot would exit onto 2nd Ave NE and the other lot would exit onto 1st Ave N.

She also noted that many of her neighbour's did not receive the notification. Planner Jen Burnett advised that everyone within 120 m receives notice directly by mail and a sign is posted.

The Mayor asked the Deputy Clerk if any written submissions had been received.

The Deputy Clerk advised that none had been received.

Members of Council and the public were provided a final opportunity for questions prior to the closing of the public meeting.

No further questions were raised and the Mayor declared the public meeting closed at 10:13 a.m.

Council took a short recess at 10:13 a.m. and returned at 10:23 a.m. to verify the notice was circulated. It was confirmed that the circulation had taken place.

That Council approve Zoning By-law Amendment Application Z-2022-128 for Shannon Shaw for Plan 132 Lots 6 & 10; further described as 45 1st Avenue N. Chesley.

10. Delegations

10.1 Natural Burials - Sibylle Walke

Ms. Walke made a presentation to Council regarding natural burials sites.

A natural burial means that the body is buried in a biodegradable casket or shroud, the grave depth is 3 to 4 feet deep, the body isn't embalmed and there is no vault. This allows the ground above to be restored and protected in its natural eco-habitat.

The natural burial process does not damage the lands or nearby waters and the bodies are buried below the smell line, so scavengers do not disturb the gravesite.

Natural burials have become popular due to their eco-friendliness but also because they are simpler, provides a final resting place in nature and are not harmful to the earth.

There are several natural burial sites all over Ontario including Owen Sound, and recently in 2022, Holstein.

In developing a natural burial site, approvals from the Medical Officer and Bereavement Authority of Ontario are required.

Ms. Walke noted that a desired location would be in Paisley Cemetery.

Council thanked Ms. Walke for her presentation.

Members of Council and Staff addressed Ms. Walke with initial comments and questions.

Council favoured the idea and directed Staff to report back at the next available council meeting regarding the development of natural burial sites within the municipality including a public consultation plan to gauge interest prior to the undertaking of a comprehensive report on the matter.

14. Notice of Motion

14.1 Closure of CIBC Bank - Chesley Branch - Ward Councillor Darryl Hampton

Councillor Hampton brought forward a Notice of Motion for Council's consideration.

Councillor Steinacker seconded the Motion.

The motion will be brought back to the September 11, 2023 meeting for discussion by Members of Council.

"Whereas, the Municipality was verbally notified of the future planned closure of the Canadian Imperial Bank of Commerce (CIBC) – Chesley Branch (01752) without formal notice of such;

Whereas, upon further investigation it was confirmed that the Canadian Imperial Bank of Commerce (CIBC) notice of closure of Chesley Branch (01752) located at 47, 1st Ave South Chesley Ontario is planned to close on January 18, 2024;

Whereas, it is understood that accounts associated with the Chesley Branch are to be relocated to the CIBC Branch in Hanover referred to as the CIBC Hanover Banking Centre at 338 – 10th Street, Hanover;

Whereas, due to the lack of a formal public meeting being held prior to the informal notification Council is requesting that a public meeting be held as soon as possible by the CIBC to offer an opportunity to engage the public and their clients of their closure plans;

Whereas, Council direct the CAO to prepare a written request to the Financial Consumer Agency of Canada (FCAC) requesting CIBC to hold a formal meeting between the bank, representatives of FCAC and interested parties near the banking center to exchange views about the change in daily banking transaction services as the Bank has not consulted the community in the area effected by the change, individual or community representatives.

And Whereas, the meeting should be open to the public and transparent to consider community concerns and viewpoints.

And Therefore, be it resolved, that the written request should be copied to the Chesley Chamber of Commerce and the Chesley CIBC Branch Manager and notice of the meeting shared on the Arran-Elderslie Municipal Webpage, Social Media, Notice Boards and appropriate Signs."
