Subject: SRDPCLK.2023.01 Tile Drainage Loan Application – 1211 Concession 10, Elderslie

Report from: Julie Hamilton, Deputy Clerk

Appendices: None

Recommendation

Be It Resolved that Council hereby,

1. Receive Tile Drainage Loan Application from Cumming Farms 1999 Ltd., with the estimated cost of the drainage system in the amount of \$47,056.75 located at 1211 Concession 10, geographic Township of Elderslie, described as Part Lot 6, Concession 10, Roll Number 4103-380-004-00800, subject to the availability of funds allocated by the Province of Ontario for tile drainage purposes;
2. That the amount of the tile drain loan will be approximately \$35,200.00; and
3. That a by-law be prepared to impose special annual drainage rates upon land in respect of which money is borrowed under the Tile Drainage Act.

Report Summary

The purpose of this report is to request Council approval for a tile loan application authorized under the *Tile Drainage Act*.

Background

In Ontario, the Tile Loan Program, authorized by the *Tile Drainage Act*, provides loans to agricultural property owners to help them finance tile drainage projects.

Landowners who are planning to install a tile drainage system on their agricultural land are eligible for a tile loan under the Tile Loan Program.

Under this program, the application must be submitted to Council. Once Council approves the application, the owner arranges to have the work completed by a licensed tile drainage contractor.

The municipality will inspect the work and prepare a debenture for submission to the province in the amount of the loan or loans. The province then issues a cheque to the municipality who in turn passes it on to the applicant. The municipality collects the loan repayments from the applicant through their property taxes and passes these payments back to the province.

The Ministry of Agriculture, Food and Rural Affairs has provided details of the Tile Loan Program for the 2022/2023 fiscal year. Tile loans are available at a 6% interest rate for a ten-year term. The maximum amount of loan available is 75% of the installation costs, to a maximum of \$50,000 per registered property owner in one year.

Analysis

An application has been received for a loan under the Tile Loan Program from the landowner (Cumming Farms 1999 Ltd.) of lands municipally located at 1211 Concession 10, in the geographic Township of Elderslie described as Concession 10, Part Lot (Roll Number 4103-380-004-00800) with the estimated cost of the drainage system in the amount of \$47,056.75. The applicant is permitted a loan for 75% of the cost of the drainage works at an estimated amount of \$35,200.00, subject to the submission of invoicing and mapping following the completion of the work.

The landowner anticipates that the work will take place in September 2023 and the Municipal Drainage Inspector, Public Work Manager Scott McLeod, will visit the site of the drainage works and perform an inspection to ensure the installation work is satisfactory to the Municipality.

Financial Impacts/Source of Funding/Link to Procurement Policy

The *Tile Drainage Act* allows municipalities to sell debentures to the Province for funding private tile drainage projects. The term of the loan is ten (10) years and the repayment is due annually to the province. The tile loan repayments are added to the landowner's property tax bill over a ten-year period.

Borrowing By-law No. 03-2021, which authorizes the Municipality to borrow money for the construction of drainage works, was passed in 2021 and has a current borrowing balance of \$500,300.00.

An \$85.00 administration-inspection fee will be charged for applications in accordance with the fees and service charges by-law.
