7. Public Meeting(s)

7.1 Zoning By-law Amendment Z-2024-056 - Caley's Grain Inc. c/o Jim Caley, Agent Ron Davidson Land Use Planning Consultant

Mayor Steve Hammell called the public meeting to order at 9:06 a.m. He stated that the purpose of the public meeting was to consider a proposed Zoning By-law Amendment for Caley's Grain Inc. c/o Jim Caley, Agent, Ron Davidson Land Use Planning Consultant Inc. The property is located on Concession 4 of Arran.

Megan Stansfield, Planner for the County of Bruce, presented her report.

The purpose of the Zoning By-Law Amendment application is to amend the current 'A1-26-2024' zoning of the retained parcel by reducing the 'minimum lot area' requirement for an agricultural lot in the 'A1' zone to 37.88 hectares. The Amendment would also change the current 'A1-26-2024' zoning of the severed parcel to 'A1'. The zoning by-law amendment is required to facilitate the severance of a non-farm residential parcel, from the agricultural lands. A non-farm residential parcel was severed from the original crown lot, earlier this year. The property is designated Rural in the County Official Plan, so is not subject to the standard 'surplus farm dwelling severance' requirements.

Comments were received from the following agencies:

- Saugeen Ojibway Nation Environment Office: No comments received, but the property is within an area of high archaeological

potential; an archaeological assessment is required as a condition of consent.

- Municipality of Arran-Elderslie: Parkland Dedication will be required
- Bruce County Transportation: No comment
- Saugeen Valley Conservation Authority: A portion of the retained property is within the SVCA Approximate Screening Area, however no development is proposed, so an SVCA permit is not required. Comments provided in full below.
- Hydro One: No comments or concerns.
- Town of Saugeen Shores: No comments.

The Mayor asked Members of Council if they had any questions.

Council had no further questions.

The Mayor asked if the applicant or agent were present and wished to make a submission. Ron Davidson, planner for the applicant noted that this does conform to the Official Plan and is consistent with the Provincial Policy Statement. These lands are rural rather than in the agricultural designation. There has already been a surplus farm dwelling severed from these lands and are allowed to sever a second lot. There is a large separation distance from this proposed lot and any farm uses at this time. The setback depends on what type of farm operation is built.

The Mayor asked if any members of the public wished to make a submission either in favour or opposed to the proposed application.

Dave Lyness owns the properties on both sides of this farm. He does not agree with all the severances and feels that there is not an area for a good entrance.

Jan Hartman asked if this severance would affect her property taxes.

The Mayor asked the Clerk if any written submissions had been received. The Clerk confirmed that she had not received any correspondence regarding this proposal.

Members of Council and the public were provided a final opportunity for questions prior to the closing of the public meeting. Council had concerns regarding the potential entrance and sight lines.

The Mayor declared the public meeting closed at 9:33 a.m.

341-23-2024

Moved by: Councillor Hampton

Seconded by: Councillor Steinacker

Be it Resolved that subject to a review of submissions arising from the public meeting, that Council approve Zoning By-law Amendment Z-2024-056 for Caley c/o Davidson and the necessary by-law be forwarded to Council for adoption at the next available Council meeting.

Defeated

Please see Agenda Item 16.3 - Motion to Reconsider this item

8. By-law 63-2024 - Remove Certain Lands from Part Lot Control

Subsequent to further discussion, Council passed the following resolution:

342-23-2024

Moved by: Councillor Penner

Seconded by: Deputy Mayor Shaw

Be It Resolved that By-law No. 63-2024 be introduced and read a first, second and third time, signed by the Mayor and Clerk, sealed with the Seal of the Corporation, and engrossed in the By-law Book.

By-law 63-2024 being a By-law to remove certain lands from Part Lot Control in the Municipality of Arran-Elderslie, described as Lot 5 East of Queen Street North, Plan No. 13, Paisley, Municipality of Arran-Elderslie, County of Bruce, designated as Parts 1 to 10, Reference Plan 3R-10935.

Carried

9. Presentations

9.1 Grey Sauble Conservation Authority - CAO Tim Lanthier - 2025 Budget and GSCA Admin Centre Renovations

Grey Sauble Conservation Authority CAO Tim Lanthier made a presentation to Council.

He noted that for Arran-Elderslie in 2024 they:

- Planted and/or distributed nearly 3000 trees.
- Supported Arran-Tara Elementary School's Climate Action Club in planting 100 native trees along the Sauble River in Tara.
- Renewed 7 Risk Management Plan under the DWSP program.
- Supported the annual Children's Water Festival in Chesley.
- Completed 15 permit and planning reviews within the municipality.
- Collect water quality samples from 4 sample locations.

- Monitor rainfall and streamflow data from 4 gauge locations

The Conservation Authority is 50.5% Self-Generated funding, 42.9% Municipal Levy Funding and 6.6% Provincial Funding. Arran-Elderslie's levy is expected to increase by \$2,233.

Conservation authority levies are based on the current value assessment (CVA) of properties within a municipality. This assessed value is modified based on the percentage of a municipality within the watershed. The levy rate per \$1000 of assessment is the same across the watershed. In 2025, that cost is proposed to be \$0.11456 per \$1000 of assessment. This means that a house assessed at \$650,000 would pay \$74.46 per year toward the levy. This is up \$1.93 from 2024.

Mr. Lanthier discussed the proposed Administration Center renovations. The Administration Centre built in the mid-1970s. There are issues with layout, noise, reception, accessibility, IT, HVAC, and wiring. The building will be fully accessible (AODA Standards). Including ancillary costs (rental, furniture/fixtures, and professional fees) brings the total to approximately \$3.0M. This means the approximate annual cost for Arran-Elderslie is \$5,000.

Council thanked CAO Lanthier for his presentation.

9.2 County of Bruce - Christine MacDonald, CAO and Aaron Stauch, Director Government Relations - 2022 Investment in Local Services

Bruce County CAO Christine MacDonald and Aaron Stauch, Director Government Relations gave their presentation to Council regarding Bruce County's investment in local services.

They noted that Bruce County provides upper-tier services to the eight local municipalities in the County. Each of those municipalities contribute a portion of their tax levy to Bruce County. Using the 2022 Financial Information Returns and service volume data they can benchmark the investment in local services Bruce County makes in each community.

They collect 56.5 million in levy contributions and provide 121.5 million in services to the lower tiers. Bruce County has the second lowest expenditures while receiving the lowest amount of grants from the government. They are trying to provide an equal amount of service to all municipalities.

Council thanked CAO MacDonald and Mr. Stauch for their presentation.

9.3 County of Bruce - Krista Miller, Community Emergency Management Specialist - Emergency Management

Krista Miller, Bruce County Emergency Management Specialist, discussed the Bruce County Emergency Management Program with Council.

Emergency Management is covered by the Emergency Management and Civil Protections Act. Each municipality must have an emergency management plan as well as an emergency control group. These have to be presented and approved annually.

She noted that there are five Pillars of Emergency Management:

- Prevention
- Mitigation
- Preparedness
- Response
- Recovery

Their crisis communication plan is in progress and well as continuing to enhance their training programs.

Council thanked Ms. Miller for her presentation.

Carried

16.3 By-law 61-2024 - Zoning By-law Amendment Z-2024-056 - Caley

CAO Dance provided further information regarding this zoning application to facilitate a consent for Caley.

CAO Dance noted that earlier on today's agenda, Council discussed a zoning application to reduce the minimum lot area requirement for an agricultural lot of designated Rural in the County Official Plan and Agriculture in the Municipal Zoning Agriculture to facilitate the consent of a 0.78 hectare vacant lot.

Following the public meeting for Cayley, Council defeated the approval of the zoning application.

Due to timing, the By-Law was placed on today's agenda and therefore it is being brought up again. With Council's permission she expanded on the implications of Council decision.

As per the *Planning Act*, when a decision is refused, as per O. Reg. 545/06, Council is required to provide a statement with explanation for refusal of the application which should be based planning principles. As a result, Council is required to provide reason(s) for refusal to be provided to the County Planner for the Notice of Decision.

CAO Dance provided the steps should the decision be appealed by the applicant to the Ontario Land Tribunal:

- The Municipality would have to retain a Professional Planner that would support Council's decision which goes against the County Planner's recommendation and the applicant's professional planner.
- The Municipality would incur legal fees and staff time to put the application forward.
- If the reason is related to the entrance that can be mitigated through the consent process as a condition of consent.

Further, as per the Municipal's Procedure By-Law Section 18.10, Council does have an option to reconsider this item at today's meeting. The motion can be introduced by a member who voted with the majority on the motion.

Mayor Hammell left his seat and the meeting was then chaired by Deputy Mayor Shaw.

Subsequent to further discussion, Council passed the following resolution:

355-23-2024

Moved by: Mayor Hammell

Seconded by: Councillor Steinacker

Be it Resolved that the Council of the Municipality of Arran-Elderslie hereby reconsiders Agenda Item 7.1, Zoning By-law Amendment Z-2024-056, Caley's Grain Inc., c/o Jim Caley.

Carried
