Do you wish to present the petition at a Council meeting? Yes No

Whereas: (please provide a brief description of the matter and request/issue below)
 We, the undersigned, petition the Council of the Municipality Arran-Elderslie Township Council & Bruce County Planning Department to reject the request from Neoen to develop a 400 megawatt capacity, standalone battery energy storage system on 40 acres of farm land located at the corner of Concession 4 & Bruce Grey County Line. We object to the location of the facility on agricultural land and the proximity to residences. This land is currently designated as agricultural land and is situated on a flood plain that the Grey Sauble Conversation Authority has designated as environmentally protected. Please sign this petition today and help us protect this agricultural land from industrial encroachment.

I/We, the undersigned, petition the Council of the Municipality of Arran-Elderslie as follows:

Do you wish to present the petition at a Council meeting? Yes No

Whereas: (please provide a brief description of the matter and request/issue below)

We, the undersigned, petition the Council of the Municipality Arran-Elderslie Township Council & Bruce County Planning Department to reject the request from Neoen to develop a 400 megawatt capacity, standalone battery energy storage system on 40 acres of farm land located at the corner of Concession 4 & Bruce Grey County Line. We object to the location of the facility on agricultural land and the proximity to residences. This land is currently designated as agricultural land and is situated on a flood plain that the Grey Sauble Conversation Authority has designated as environmentally protected. Please sign this petition today and help us protect this agricultural land from industrial encroachment.
