## SUMMARY

Our audit and therefore this report will not necessarily identify all matters that may be of interest to the Council in fulfilling its responsibilities. This report has been prepared solely for the use of the Council and should not be distributed without our prior consent. Consequently, we accept no responsibility to a third party that uses this communication.

### Status of the Audit

As of the date of this report, we have substantially completed our audit of the 2020 consolidated financial statements, pending completion of the following items:

- ▶ Approval of consolidated financial statements by Council
- ▶ Receipt of signed management representation letter
- ▶ Subsequent events review through to financial statement approval date
- ▶ Receipt of support for the amounts related to the capital assets prior period adjustment.

We conducted our audit in accordance with Canadian generally accepted auditing standards. The objective of our audit was to obtain reasonable, not absolute, assurance about whether the consolidated financial statements are free from material misstatement. See [Appendix A](#) for our draft independent auditor's report.

The scope of the work performed was substantially the same as that described in our Planning Report to the Council dated February 22, 2021.

### Materiality

As communicated to you in our Planning Report to the Council, preliminary materiality was \$310,000. Final materiality remained unchanged from our preliminary assessment.

### Audit Findings

Our audit strategy and procedures focused on the risks specific to your organization and key accounts as outlined in our Planning Report to the Council. Significant risk of material misstatement identified during our planning included the following items:

- ▶ Control Environment
- ▶ Purchases
- ▶ Government Transfers

There were no changes to our planned procedures and no issues were identified in our testing performed. No additional risks were identified during the audit.

Audit findings are discussed in more detail on Pages 3 and 4.

### Internal Control Matters

We are required to report to you in writing, any significant deficiencies in internal control that we have identified. The specifics of this communication are included on Page 5.

## Management Representations

During the course of our audit, management made certain representations to us. These representations were verbal or written and therefore explicit, or they were implied through the consolidated financial statements. Management provided representations in response to specific queries from us, as well as unsolicited representations. Such representations were part of the evidence gathered by us to be able to draw reasonable conclusions on which to base our audit opinion. These representations were documented by including in the audit working papers memoranda of discussions with management and written representations received from management. A summary of the representation we have requested from management is set out in the representation letter included in [Appendix C](#) to the report.

## Independence

Our annual letter confirming our independence was previously provided to you in our planning correspondence. We know of no circumstances that would cause us to amend the previously provided letter.

## Adjusted and Unadjusted Differences

All significant adjusted and unadjusted differences and disclosure omissions identified through the course of our audit engagement are required to be disclosed and discussed with Management. We did not identify any disclosure omissions identified throughout our audit.

Management has determined that the unadjusted differences are immaterial both individually and in aggregate to the consolidated financial statements taken as a whole. Should the Council agree with this assessment, we do not propose further adjustments.

For purposes of our discussion, a summary of unadjusted differences has been presented in [Appendix B](#).

## Fraud Discussion

Through our planning process, and current and prior years' audits, we have developed an understanding of your oversight processes. We are not currently aware of any fraud affecting the Municipality.

If you are aware of changes to processes or are aware of any instances of actual, suspected or alleged fraud affecting the Municipality since our discussions held at planning, we request that you provide us with this information.

Please refer to the Auditor's Responsibilities for Detecting Fraud in the Planning Report to the Council.

## AUDIT FINDINGS

Our audit strategy and procedures focused on the risks specific to your Municipality and key accounts as outlined in our Planning report to the Council. There were no changes to our planning procedures and no issues were identified in our testing performed. No additional risks were identified during the audit.

SIGNIFICANT RISKS OF MATERIAL MISSTATEMENT	AUDIT FINDINGS
Management Override of Controls	To address this risk we developed criteria for unusual journal entries, determined the population of unusual journal entries and obtained corroborating evidence of these journal entries from management as to why the journal entries were made. No inappropriate journal entries were noted.
Purchases	To address this risk we reviewed a sample of invoices for department head authorization and agreed to the purchasing policy to ensure authorization was appropriate. We also noted during our minute review Council approval of vouchers.
Government Transfers	To address this risk we reconciled significant government transfers to their various government funding agreements and letters, reviewed funding agreements for deferred grants and reviewed minutes to ensure grant revenue listed was complete. No issues were noted in regards to grant revenue during our testing.

As part of our ongoing communications with you, we are required to have a discussion on our views about significant qualitative aspects of the Municipality's accounting practices, including accounting policies, accounting estimates and financial statement disclosures.

Management is responsible for determining the Municipality's significant accounting policies. Significant accounting policies have been disclosed in the financial statements. The choice between accounting policy alternatives can have a significant effect on the financial position and results of the Municipality. The application of those policies often involves significant estimates and judgments by management. Based on the audit work that we have performed, it is our opinion that the estimates are in accordance with the requirements of Canadian public sector accounting policies and have been consistently applied.

A summary of the significant financial statement disclosures policies and significant estimates and judgements are as follows:

Significant Financial Statement Disclosures	Audit Findings
Accumulated Surplus	A breakdown of the Municipality's accumulated surplus is included in Note 7. This includes the amount invested in capital assets, unfunded liabilities, reserves and reserve funds and also the general surplus which is required to be carried forward to the next year's budget.
Commitments	Significant capital commitments for the Paisley Waste Water Plant and the ice resurfacing projects have been disclosed in Note 16.
Prior Period Restatement	Management has determined that various capital assets were excluded from capitalization of tangible capital assets in the prior years. The impact of adjusting for these errors is disclosed in Note 22.

Significant Estimates and Judgements	Audit Findings
Post-Employment Benefits	The Municipality provides post-employment health and life insurance benefits to eligible retired employees. The benefits earned by employees are determined using management's best estimate of expected benefit costs and are expensed as services are rendered. In order to help estimate the liability for post-employment benefits, the Municipality engaged the services of an actuary.
Taxation Revenue Estimate	In accordance with PS 3510, amounts have been estimated for taxable events that have occurred but have not yet been assessed. The estimate was based on trend analysis by year for supplemental taxation billings and write-offs for the last 3 years; and knowledge of potential reassessments.
Liability for Contaminated Sites	Management compiled a list of all properties owned by the Municipality or where the Municipality has accepted responsibility for the property and assessed whether each property was contaminated. Management is not aware of any contaminated sites therefore no liability is accrued.
Solid Waste Landfill Closure and Post-closure Liabilities	Amounts have been estimated for closure and post-closure costs. The estimates were calculated based on correspondence with engineers and used the same approach to value landfill liability as in the prior year.

## INTERNAL CONTROL MATTERS

During the course of our audit, we performed the following procedures with respect to the Municipality's internal control environment:

- ▶ Documented operating systems to assess the design and implementation of control activities that were relevant to the audit.
- ▶ Discussed and considered potential audit risks with management.
- ▶ Tested the operating effectiveness of controls in the payroll and purchase transaction stream.

The results of these procedures were considered in determining the extent and nature of substantive audit testing required.

We are required to report to you in writing, significant deficiencies in internal control that we have identified during the audit. A significant deficiency is defined as a deficiency or combination of deficiencies in internal control that, in the auditor's professional judgment, is of sufficient importance to merit the attention of those charged with governance.

We did not find any deficiencies in the design and implementation of the internal controls that were tested during the audit.

As the purpose of the audit is for us to express an opinion on the Municipality's consolidated financial statements, our audit cannot be expected to disclose all matters that may be of interest to you. As part of our work, we considered internal control relevant to the preparation of the consolidated financial statements such that we were able to design appropriate audit procedures. This work was not for the purpose of expressing an opinion on the effectiveness of internal control.

## Independent Auditor's Report

---

To the Members of Council, Inhabitants and Ratepayers  
of the Corporation of the Municipality of Arran-Elderslie

### Opinion

We have audited the accompanying consolidated financial statements of the Corporation of the Municipality of Arran-Elderslie (the Municipality), which comprise the consolidated statement of financial position as at December 31, 2020, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2020 and the consolidated results of its operations, consolidated changes in net financial assets and consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Municipality to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Summary of Significant Accounting Policies

December 31, 2020

---

**Management Responsibility** Management of the Corporation of the Municipality of Arran-Elderslie has prepared and is responsible for the integrity, objectivity and accuracy of the financial information presented in these consolidated financial statements. Council reviews and approves the consolidated financial statements.

**Basis of Accounting** The consolidated financial statements of the Corporation of the Municipality of Arran-Elderslie have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada as prescribed by the Ministry of Municipal Affairs and Housing.

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**Basis of Consolidation** The consolidated statements reflect the assets, liabilities, revenues and expenses of all municipal organizations, committees, and boards which are owned or controlled by Council. All interfund assets and liabilities and revenues and expenses have been eliminated on consolidation.

A government partnership exists where the municipality has shared control over the board or entity. The municipality's pro-rata share of the assets, liabilities, revenues and expenses are reflected in the financial statements using the proportionate consolidation method. The municipality's proportionate interest of the following government partnerships are reflected in the consolidated financial statements:

Chesley and District Fire Board	65.70%
Bruce Area Solid Waste Recycling Association	8.73%
Saugeen Mobility and Regional Transit	7.20%

Revenue Recognition

Revenues are recognized as follows:

- a) Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. As taxes recorded are initially based on management's best estimate of the taxes that will be received, it is possible that changes in future conditions, such as reassessments due to audits, appeals and court decisions, could result in a change in the amount of tax revenue recognized. Taxes receivable are recognized net of an allowance for anticipated uncollectible amounts.
- b) Other revenues and user fees are recorded upon sale of goods or provision of service when collection is reasonably assured.
- c) Investment income earned on surplus funds (other than obligatory reserve funds) are reported as revenue in the period earned. Investment income earned on obligatory reserve funds is recorded directly to each fund balance and forms part of the respective deferred revenue balances.
- d) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.
- e) Revenue restricted by legislation, regulation or agreement and not available for general municipal purposes is reported as deferred revenue on the consolidated statement of financial position. The revenue is reported on the consolidated statement of financial activities in the year in which it is used for the specified purpose.

### Summary of Significant Accounting Policies

December 31, 2020

---

**Cash and Cash Equivalents** Cash and cash equivalents include all cash balances and highly liquid investments that are readily converted into cash.

**Investments** Investments are recorded at the cost unless there has been a decline in the market value which is other than temporary in nature in which case the investments are written down to market value.

**Inventory** Inventory of goods held for resale is recorded at net realizable value.

Inventory held for consumption is recorded at the lower of cost and replacement cost.

**Post-Employment Benefits** The municipality provides post-employment health, dental, travel, and life insurance benefits to eligible retired employees. The benefits earned by employees are determined using management's best estimate of expected benefit costs and are expensed as services are rendered.

The contributions to the Ontario Municipal Employers Retirement System ("OMERS"), a multi-employer defined benefit plan, are expensed when contributions are due.

**Solid Waste Landfill Closure and Post-Closure Costs**

Site closure and post-closure care costs are recognized over the operating life of the landfill based on capacity used. The liability is recorded at its discounted value, based on the average long-term borrowing rate of the municipality.

**Liability for Contaminated Sites** A contaminated site is a site at which substances occur in concentrations that exceed the maximum acceptable amounts under an environmental standard. Sites that are currently in productive use are only considered a contaminated site if an unexpected event results in contamination. A liability for remediation of contaminated sites is recognized when the organization is directly responsible or accepts responsibility; it is expected that future economic benefits will be given up; and a reasonable estimate of the amount can be made. The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring. A liability of \$30,000 has been accrued.

## Summary of Significant Accounting Policies

December 31, 2020

---

### Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Amortization is provided over the estimated useful life of the assets, using the straight-line method. The useful life of the assets is based on estimates made by management. The following useful lives are used:

Land improvements	40 years
Buildings	40 years
Equipment	5 to 15 years
Roads - paved	15 - 20 years
Roads - gravel	10 years
Water and other utility systems	30 - 80 years
Bridges and culverts	20 - 50 years
Vehicles	5 to 12 years

Tangible capital assets received as contributions are recorded at fair value at the date of receipt.

### County and School Board

The municipality collects taxation revenue on behalf of the school boards and the County of Bruce. The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards and the County of Bruce are not reflected in these financial statements.

### Trust Funds

Funds held in trust by the municipality, and their related operations, are not included in these financial statements. The financial activity and position of the trust funds are reported separately on the trust funds statement of continuity and balance sheet.

### Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Estimates are used when accounting for items such as accrued grant receivables, useful life of assets, accrued liabilities, post-employment benefits, solid waste landfill closure and post-closure costs, liabilities for contaminated sites and taxation revenue. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.

4. Solid Waste Closure and Post-Closure Liabilities

Solid waste closure and post-closure care requirements have been defined in accordance with industry standards and include final covering and landscaping of the landfill, removal of ground water and leachates, and ongoing environmental monitoring, site inspection and maintenance.

The liability for the Chesley Landfill site is recorded at \$160,825 and represents the present value of estimated post-closure costs using a discount rate of 3.43%. There is no remaining fill capacity available and the Chesley Landfill was closed to the public in 2012. Post-closure care is estimated to continue for a period of 17 years.

The Arran Landfill site was expanded and assumed landfilling operations for the entire Municipality on October 1, 2012. The useable area was divided into five phases, each requiring separate approval with Plans of Development for each phase. Currently, only Phases I and II have a Plan of Development and Operation (PDO). The liability for Phase I and II of the Arran Landfill site is recorded at \$19,852 and represents the present value of closure and post-closure costs for 36% of the current site's capacity, using the municipality's average long-term borrowing rate of 3.43%. The liability is recorded based on the capacity of the landfill used to date. The total estimated future expenditures for closure and post-closure care are \$515,018. The estimated remaining open capacity of Phases I and II is approximately 180,000 cubic meters, which will be filled in 57 years. Post-closure care is estimated to continue for a period of 20 years.

The liabilities have been partially funded through budget allocations.

5. Long-Term Liabilities

The balance of long-term liabilities reported on the consolidated statement of financial position is made up of the following:

	2020	2019
Tile drainage loans, 6%, due 2021 to 2030	\$ 387,581	\$ 432,278

Principal payments for the next five fiscal years and thereafter are as follows:

10. Post-Employment Benefit Liabilities

	2020	2019
Accumulating sick leave (unamortized gain \$84,962)	\$ 287,408	\$ 262,775
Post-employment benefits (unamortized gain \$30,767)	76,806	78,162
	\$ 364,214	\$ 340,937

- a) The municipality provides its employees with an accumulating sick leave plan which allows employees to use days accumulated in prior years, and allows for partial payout upon death, termination or retirement.

	2020	2019
Sick leave liability, beginning of the year	\$ 262,775	\$ 240,360
Amortization of actuarial gain	(3,653)	(3,653)
Current year benefit expense	21,212	19,996
Interest accrued	9,461	8,395
Benefits paid	(2,387)	(2,323)
	\$ 287,408	\$ 262,775

As per the collective agreement, the unused portion of annual earned sick leave days plus interest, is accumulated in a reserve account. The reserve tracks the number and dollar value of the unused days for each employee. When an employee ceases to work for the municipality, the employee receives 50% of the value credited in the reserve for that employee. The estimated liability at December 31, 2020 is \$287,408. The reserve account maintained by the municipality at December 31, 2020 per the agreement is \$521,687 and any future sick leave payouts will be funded from the reserve.

- b) The municipality pays certain health, dental, travel and life insurance benefits on behalf of its retired members to the age of 70. The municipality recognizes these post-employment costs in the period in which the employees rendered the services. The assumptions used reflect management's best estimates. The post-employment benefit liability was determined using a discount rate of 4.00%. For future salaries, a 2.75% annual rate of increase was used for 2020 and forward. For dental and travel premiums, a 3.75% annual rate of increase was assumed for 2020 and forward. For health care premiums, a 6.08% increase was used for 2020 and decreasing .33% until 2027 where 3.75% was used thereafter.

	2020	2019
Accrued benefit liability, beginning of the year	\$ 78,162	\$ 79,269

13. Pension Agreements

The Municipality makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), which is a multi-employer plan, on behalf of 36 members of its staff. This plan is a defined benefit plan which specifies the amount of the retirement to be received by the employees based on the length of service and rates of pay. Employees and employers contribute jointly to the plan. The employer amount contributed to OMERS for 2020 by the Municipality was \$229,836 (2019 - \$208,039). The contribution rate for 2020 was 9.0% to 15.8% depending on age and income level (2019 - 9.0% to 15.8%).

OMERS is a multi-employer plan, therefore, any pension plan surpluses or deficits are a joint responsibility of Ontario municipal organizations and their employees. As a result, the Municipality does not recognize any share of the OMERS pension surplus or deficit. The last available report for the OMERS plan was December 31, 2020. At that time the plan reported a \$3.2 billion actuarial deficit (2019 - \$3.4 billion), based on actuarial liabilities of \$111.8 billion (2019 - \$106.4 billion) and actuarial assets of \$108.6 billion (2019 - \$103 billion). Ongoing adequacy of the current contribution rates will need to be monitored as declines in financial markets may lead to increased future funding requirements.

15. Contingencies

The Municipality has been served with a claim as a result of a motor vehicle accident. The Municipality is not aware of any possible settlements in excess of its liability insurance coverage. The outcome of this claim is not determinable at this time.

---

16. Commitments

As of December 31, the Municipality has committed to various capital projects with a total cost of \$336,695 of which \$54,591 was paid in the year and \$282,104 is still to be paid.

---

17. Trust Funds

The trust funds administered by the Municipality amounting to \$553,810 (2019 - \$540,400) have not been included in the consolidated statement of financial position, nor have the operations been included in the consolidated statement of financial activities.

---

18. Uncertainty due to COVID-19

The impact of COVID-19 in Canada and on the global economy increased significantly. As the impacts of COVID-19 continue, there could be further impact on the Municipality, its citizens, employees, suppliers and other third party business associates that could impact the timing and amounts realized on the Municipality's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the Municipality is not known. Given the dynamic nature of these circumstances and the duration of disruption, the related financial impact cannot be reasonably estimated at this time. The Municipality's ability to continue delivering non-essential services and employ related staff will depend on the legislative mandates from the various levels of government. The Municipality will continue to focus on collecting receivables, managing expenditures, and leveraging existing reserves and available credit facilities to ensure it is able to continue providing essential services to its citizens.

## Independent Auditor's Report

---

To the Members of Council, Inhabitants and Ratepayers of  
the Corporation of the Municipality of Arran-Elderslie Trust  
Funds

### Opinion

We have audited the accompanying financial information for the Municipality of Arran-Elderslie Trust Funds (Trust Funds), which comprise the balance sheet as at December 31, 2020, the statement of continuity for the year then ended, and notes to the financial information including a summary of significant accounting policies.

In our opinion, the financial information presents fairly, in all material respects, the balance sheet for the Trust Funds as at December 31, 2020 and the statement of continuity for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Information section of our report. We are independent of the Trust Funds in accordance with the ethical requirements that are relevant to our audit of the financial information in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Information

Management is responsible for the preparation and fair presentation of this financial information in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

In preparing the financial information, management is responsible for assessing the Trust Funds ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Trust Funds or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Trust Funds financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Information

Our objectives are to obtain reasonable assurance about whether the financial information as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial information.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Trust Funds ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Trust Funds to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial information, including the disclosures, and whether the financial information represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Information

December 31, 2020

---

1. Summary of Significant Accounting Policies

**Management Responsibility** The management of the Corporation of the Municipality of Arran-Elderslie has prepared and is responsible for the integrity, objectivity and accuracy of this financial information. The Council reviews and approves the financial information.

**Basis of Accounting** The financial information has been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of Chartered Professional Accountants of Canada.

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**Use of Estimates**

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.

**Basis of Consolidation** These trust funds have not been consolidated with the financial statements of the Corporation of the Municipality of Arran-Elderslie.

## Independent Auditor's Report

---

To the Board Members, Members of Council  
Inhabitants and Ratepayers of the  
Participating Municipalities of the  
Chesley and District Fire Board

### Opinion

We have audited the accompanying financial statements of the Chesley and District Fire Board, which comprise the statement of financial position as at December 31, 2020, and the statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Chesley and District Fire Board as at December 31, 2020 and the results of its operations, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Chesley and District Fire Board in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Chesley and District Fire Board Summary of Significant Accounting Policies

December 31, 2020

---

**Management Responsibility** The management of the Corporation of the Municipality of Arran-Elderslie is responsible for the integrity, objectivity and accuracy of the financial information presented in these financial statements. Management reviews and approves the financial statements before they are submitted to the Board.

**Basis of Accounting** The financial statements of the Chesley and District Fire Board are the representations of management. They have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants as prescribed by the Ontario Ministry of Municipal Affairs and Housing.

Revenues and expenditures are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

**Use of Estimates** The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. By their nature, these estimates are subject to measurement uncertainty and actual results could differ from management's best estimates as additional information becomes available in the future.

**Tangible Capital Assets** Tangible capital assets are recorded at cost less accumulated amortization. Costs include all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Amortization is provided over the estimated useful life of the assets, using the straight-line method. The useful life of the assets is based on estimates made by Council. The following rates are used:

Vehicles	10 years
Equipment and clothing	12 years

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

Revenue Recognition

Revenues are reported on the accrual basis of accounting. Revenues are recognized as follows:

- (a) Other revenues are recorded upon sale of goods or provision of service when collection is reasonably assured.
- (b) Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

This representation letter is provided in connection with your audit of the financial statements of The Corporation of the Municipality of Arran-Elderslie for the year ended December 31, 2020, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with Canadian public sector accounting standards.

We confirm that to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

### Financial Statements

We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated November 18, 2019, for the preparation of the financial statements in accordance with Canadian public sector accounting standards; in particular, the financial statements are fairly presented in accordance therewith.

- The methods, significant assumptions, and data used in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement and/or disclosure that are reasonable in accordance with Canadian public sector accounting standards.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Canadian public sector accounting standards.
- All events subsequent to the date of the financial statements and for which Canadian public sector accounting standards require adjustment or disclosure have been adjusted or disclosed.
- The financial statements of the entity use appropriate accounting policies that have been properly disclosed and consistently applied.
- The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter.
- We have reviewed and approved all journal entries recommended by the practitioners during the audit. A list of the journal entries is attached to the representation letter.

### Information Provided

- We have provided you with:
  - access to all information of which we are aware that is relevant to the preparation of the financial statements, such as records, documentation and other matters;
  - additional information that you have requested from us for the purpose of the audit; and
  - unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

- We are responsible for the design, implementation and maintenance of internal controls to prevent, detect and correct fraud and error, and have communicated to you all deficiencies in internal control of which we are aware.
- All transactions have been recorded in the accounting records and are reflected in the financial statements.
- We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial statements.
- We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware.

## Fraud and Error

- We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the entity and involves:
  - management;
  - employees who have significant roles in internal control; or
  - others where the fraud could have a material effect on the financial statements.
- We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators, or others.

## General Representations

- Where the value of any asset has been impaired, an appropriate provision has been made in the financial statements or has otherwise been disclosed to you.
- We have provided you with significant assumptions that in our opinion are reasonable and appropriately reflect our intent and ability to carry out specific courses of action on behalf of the entity when relevant to the use of fair value measurements or disclosures in the financial statements.
- We confirm that there are no derivatives or off-balance sheet financial instruments held at year end that have not been properly recorded or disclosed in the financial statements.
- There have been no plans or intentions that may materially affect the recognition, measurement, presentation or disclosure of assets and liabilities (actual and contingent).
- The nature of all material uncertainties have been appropriately measured and disclosed in the financial statements, including all estimates where it is reasonably possible that the estimate will change in the near term and the effect of the change could be material to the financial statements.
- There were no direct contingencies or provisions (including those associated with guarantees or indemnification provisions), unusual contractual obligations nor any substantial commitments, whether oral or written, other than in the ordinary course of business, which would materially affect the financial statements or financial position of the entity, except as disclosed in the financial statements.

## Other Representations Where the Situation Exists

- We have informed you of all known actual or possible litigation and claims, whether or not they have been discussed with legal counsel. Since there are no actual, outstanding or possible litigation and claims, no disclosure is required in the financial statements.
- We have provided you all the relevant information in order to appropriately record and disclose the restatement made to correct a material misstatement in the prior period financial statements that affect the comparative information. This restatement was for:
  - 2019 opening cost and accumulated amortization for various road, water and sewer capital assets.
- We have:
  - Evaluated all land owned by the Municipality or where the Municipality has accepted responsibility for the land as to whether there are sites in the Scope of PS 3260 Liability for Contaminated Sites.
  - Made available to you all financial records and related data relevant to the assessment of the liability for contaminated sites.
  - Recorded the necessary contaminated sites within the Scope of PS 3260
  - To the extent that our normal procedures and controls related to our financial statement close process at any of our locations were adversely impacted by COVID-19 outbreak, we took appropriate actions and safeguards to reasonably ensure the fair presentation of the financial statements in accordance with Canadian public sector accounting standards.

Yours truly,
